Midland Walkabout Volkssport Club was founded in 2001 with Jack Roger's leadership. The first meeting was held at Midland College. The local club belongs to the Texas Volkssport Association (TVA) and the American Volkssport Association (AVA) which was founded in 1979 and is recognized by the President's Council on Physical Fitness and Sports.

There are over 400 clubs like ours throughout the United States. Our events take place on pre-measured and marked trails and are listed in the Starting Point AVA Guide Book along with over 1,700 walking trails called year-round events (YRE'S) in America.

While the greatest reward for walking is good health and fitness, this organization provides a unique way to record your walks for special awards and medals. In addition, the friendships you make are priceless and endure year after year.

Walking with us provides beauty and scenery in parks, neighborhoods, historic places, and natural areas.
